### Session Date

### Which elements of the assessment confirmed your expectations?

What strengths did you supervisor identify that you were confident were strengths? What areas were you expecting to be "Still developing" that your supervisor agreed with?

### Were there any surprises in the assessment?

Any areas where your assessment of yourself didn't match up with your supervisor's assessment?

## Which elements of the assessment confirmed your expectations?

What strengths did your supervisor identify that you were confident were strengths? What areas were you expecting to be "Still developing" that your supervisor agreed with?

## Were there any surprises in the assessment?

Any areas where your assessment of yourself didn't match up with your supervisor's assessment?

## What's your plan for the next half of the practicum?

For areas that you're still developing, what resources will you use? How will you continue to make progress in that area?

## What goals have you updated?

As part of the assessment process, did you refine, change, or add any learning goals?

## Anything else?
